**Or up to #4 units from other undergraduate courses approved by the Program Director.
These courses must be in a health-related field to be approved.**

Important note: Course selection is the student's responsibility. Course selection advice is provided in good faith, and it is your responsibility to note the course offerings, prerequisites, recommended prerequisites, and restrictions for the courses you enroll into. If an Advisor suggests a course or waives a prerequisite for you, it is your responsibility to monitor your progress and to carefully consider your options before the census date.
