SPH SEMINAR SERIES

Metrics for Grant Writing and Promotion

Bookings for this session are essential and can be done through the training [website](#).

This hands-on session, run by Elisha Bignell from the UQ Library, will provide information about key publication metrics that will strengthen your grant proposals or applications. Find out how to demonstrate the extent of your collaboration and make claims of impact using metrics from indexed (Web of Science, Scopus) publications.

Date: Tuesday 18th April
Time: 1-2pm
Room: 015
Location: Public Health Building, Herston
