SPH SEMINAR SERIES

Research about the health and well-being of sex workers in Western Australia and Queensland

Linda Selvey will present some of the findings of the Law and Sex Workers Health (LASH2.0) study carried out in Western Australia in 2016, including some interesting results relating to condom use with clients. This study was funded by the Western Australian Department of Health. Lisa Fitzgerald and Judith Dean will present some preliminary findings from their Transgender and male sex worker health study (TaMs), which is being conducted in collaboration with Respect Inc. and was funded by the HIV Foundation.

Date: Tuesday 25th July
Time: 1-2pm
Room: 113
Location: Public Health Building, Herston
