Bachelor of Health Sciences
Nutrition Major 2018

To complete the Bachelor of Health Sciences (Nutrition), a student is required to obtain #48 comprising of: #28 from Part A (Core), #12 from Part B (Major defining) and #8 from Part C (Elective). Each course in the Bachelor of Health Sciences is worth #2. The first #16 that the student attempts must be level one courses from Part A of the Bachelor of Health Sciences course list (unless otherwise approved by the program director).

For further enquiries or progression assistance, please contact med.enquiries@uq.edu.au.

Or up to #8 from the undergraduate courses offered across the Bachelor of Health Sciences for which the student is eligible or other undergraduate courses approved by the Executive Dean.

**Important note:** Course selection is the student’s responsibility. Course selection advice is provided in good faith and it is your responsibility to note the prerequisites, recommended prerequisites and restrictions for the courses you enroll into. If an Advisor suggests a course or waives a prerequisite for you, it is your responsibility to monitor your progress and to consider carefully your options before the census date.
