SEMINAR SERIES

ORCID - get one and use it!

This is a hands-on session to get all attendees setup with an ORCID. In the first instance the relevant identifiers, link them to UQ systems and highlight how to populate with any existing publications. Includes a discussion about other IDs, Google Scholar and Publons for peer reviewers.

Highly recommended for HDRs and academics.

Date: Tuesday 10th April
Presenter: Helena Woodman and Elena Danilova, UQ Library
Time: 1-2pm
Room: 015
Location: Public Health Building, Herston
